# KX450 / SR / X

## Power and Torque Curve:

Pro Circuit Race Specification  
vs: Stock / Production

Pro Circuit's long and close relationship with Kawasaki has resulted with both the Factory, and Team Green riders utilizing Pro Circuit for their performance needs. We invite you to check out what we have available for the KX450 line of motorcycles in this brochure. In addition, Pro Circuit offers a complete line of products for most makes and model motorcycles that can be seen on-line at [ProCircuit.com](http://ProCircuit.com).

## EXHAUST SYSTEMS
